1. Rank for each category is based on the percentage of the applicable population.

Source: Office for National Statistics

2. The information in this table is produced using both a person's place of work and their method of travel to work and is comparable with 2001. For example, a person who has indicated their place of work as their home address and said that they travel to work by driving a car or van (eg visiting clients) appears in the category "Work mainly at or from home", as was the case in 2001. This compares with QS701EW which
