## NOTES ON REGISTRATION OF FOOD PREMISES

### What is registration ?

1. Registration of premises used for a food business (including market stalls, delivery vehicles and other moveable structures) is required by law. Registration will allow local authorities to keep an up-to-date list of all those premises in their area so they can visit them when they need to. The frequency of the visits will depend on the type of business.

### Who needs to register ?

2. If you run a food business you must tell (or arrange for someone else to tell) the local authority about any premises you use for storing, selling distributing or preparing food.
3. If you use vehicles for your food business in connection with permanent premises such as a shop or warehouse you only need to tell the local authority how many vehicles you have. You do not need to register each vehicle separately. If you have one or more vehicles but no permanent premises, you must tell the authority where they are normally kept.
4. The majority of food businesses will have to be registered. Exemptions will depend on the continuity of the activities and the degree of organisation of the proposed business.

### How do I register ?

5. By filling in this form and returning it to:  
**Environmental Health  
South Ribble Borough Council  
Civic Centre  
West Paddock  
Leyland  
PR25 1DH**

Registration cannot be refused and there is no charge. If you use premises in more than one local authority area you must register with each local authority separately.

If you have any questions please contact us on 01772 625340.

It is an offence to give information which you know is false.

### What happens to the information given on the form ?

6. We will enter the details on our register. We have to maintain a list of food business establishments registered with us which is available for inspection by the general public at all reasonable times. The list contains details of the name of the food business operator, name of the food business, address of the food business establishment and particulars of and the nature of the food business.

### Changes

7. Once you have registered with us you only need to notify us of a change of proprietor, if the nature of the business changes, or if there is a change of address at which the moveable premises is kept. The new proprietor will have to complete an application form.
