FAO Susan Heywood
Senior Housing and Planning Inspector

Dear Ms Heywood,

Re: South Ribble – Letter 9 Responses to Modifications

The authority notes your comments regarding the representations to the Main Modifications consultation and can respond in the following way.

‘Rep No. 5 proposing alterations to the Policies Map relating to the Enterprise Zone at Samlesbury’ – the authority is mindful that this would relate to a Main Modification to the Plan and as such accepts that a consultation on this cartographic error would be the most appropriate course of action. A consultation is taking place between 17 October and 28 November on the draft Masterplan for the Enterprise Zone site and as such we consider this could be an opportunity to consult on this modification. It is our intention to add a paragraph to the letter that is sent out with the consultation on the draft Masterplan and an amended map and send this out to all those on our consultation database.

‘Rep No. 3 relating to MM1’ – in respect of this representation the authority accepts that additional communication is needed and will organise a limited consultation on this matter.

‘Rep No. 12 relating to MM06’ - the authority accepts that a definition of ‘comprehensive development’ could add clarity to the Plan and will update the glossary to reflect this.

Yours Sincerely

Kezia Taylerson
Planning Officer
