Dear Zoe

Thank you for your email and call.

I've shown an additional area hatched red on your plan (see attached scan) to be included within the amended Green Belt rollback boundary in line with the amendment originally requested by BAES (see attached plan).

Kind regards

Subject: Site Allocations & Development Management Policies Development Plan Document - BAE

Systems, Samlesbury
Importance: High

Dear Mr Willis

I refer to our previous correspondence concerning the cartographic error in the above document in relation to the green belt rollback boundary of the Enterprise Zone.

The Inspector has requested in her [letter](#) dated 1 April, that we provide confirmation of the current situation regarding the EZ boundary and the comments of BAE Systems. I would, therefore, be grateful if you could confirm by Tuesday, 22 April 2014, that the attached map reflects the boundary BAE requested so we can pass this on to the Inspector as requested.

Regards.

Zoë Harding
